Why you should choose Logic Sept Plus?

Logic Sept Plus is a trademark of Logic Chemie. Unlike others, our disinfectants are more powerful while being gentle on the skin. We have been successfully protecting people and surfaces since 1967, and our disinfectants are designed for every age.

Independent laboratories have rated our products as "very good" or as "excellent". How is this possible? Only with our biobased technology.

“ Use Logic Sept Plus whenever your skin needs long-lasting protection:

- In government buildings, schools, universities
- In hospitals, shopping centres, homes, offices

- In kitchens, canteens, restaurants, etc.

Keep your life moving.
